G.O.Ms.No.4726 P.H. Dated 21st December 1939.

Read the following:

G.O.No.2058 P.H. dated the 4th June 1938.
From the Director of Public Health No.24769-1 Mal. dated 14th July 1939.

.....

Order:

In connection with the scheme for the free supply of drugs, mosquito repellants and mosquito nets to Government employees, their families and dependants in Sullia and Kokkada firkas of the South Kanara district the Director of Public Health has submitted the following proposals:-

(i) That each office should prepare the required quantity of mosquito repellant and distribute it to its subordinates, the cost being met from the provision for contingencies for the office.

(ii) That arrangements may be made for the supply of mosquito nets from a single firm at Mangalore regularly on order to the heads of the departments for distribution to the Government employees, their families and their dependants in the two firkas, the

expenditure being ~~borne~~ borne by the respective departments.

(iii) That the concessions in G.O.No.2058 P.H. dated the 4th June 1938 should be extended to Government employees who do not reside in these areas but regularly tour in the areas.

Proposals (i) and (ii) in the above paragraph are approved.

As regards proposal (iii) instructions should be issued for the supply of the drugs and mosquito repellants free of cost to these Government employees; but there is no justification for the supply to them of mosquito nets free of cost. Free supply of nets will therefore be confined to classes of cases mentioned in G.O.No.2058 P.H. dated the 4th.June 1938.

The current put up below does not relate to L. section. G.O. No. 4726 P.H. dt 21-12-39 refers to interim and the connected papers were dealt with by the D. section. Therefore the current may be transferred to that section.

(Note continued by D section)

It is no doubt true that ~~B.P. Mis. 265~~ G.O. No 4726/P.H. dt 21-12-39 was taken by D section, as L section refused to take it on the ground that the previous G.O. read in it was dealt with in this section. A reference is solicited to the B.P. at (K). The question originally raised by the Coll. of South Kanara was the grant of special pay to certain subordinate officers employed in that district. This was

a subject assigned to 'D' Section in the redistribution of subjects. The final orders of the Govt., however, assumed a different colour & the subject took the form of anti-malarial measures.' This is a miscellaneous subject & does not fall within the ~~subjects~~ list of subjects assigned to 'D' Section. Tho' the former current at p. 1 C.F. (M) was not legitimately dealt with by this section paper, yet ~~it was apparently taken under the impression that~~ I-A ~~has~~ decided ~~it should be taken~~ that it should be dealt with by D Section as was the current above. In these circumstances it is requested that the current above may be transferred to ~~some other~~ section which has appropriate to deal with it.
